relaxation: state of refreshing tranquility; act of making less strict

relentless: unmoved by appeals for sympathy or forgiveness; insensible to distresses of others; unyielding

reliability: trait of being dependable or reliable

reliable: worthy of being depended on; trustworthy

reliant: relying on another for support

relic: surviving remnant; something left after loss or decay; object kept for its association with the past

TOEFL Vocabulary in 30 Days

Day 23

reluctant: not wanting to take some action; averse

remainder: remnant; something left after other parts have been taken away

remaining: residue; something not used up

remarkable: worthy of notice; extraordinary

remarkably: strikingly; markedly; to a remarkable degree or extent

remedy: relieve or cure; correct; repair

remnant: remainder; small part or portion that remains after the main part no longer exists

renaissance: revival; renewal; revival of learning and culture

rendition: translation, often interpretive; performance of a musical or dramatic work

renew: renovate; make new or as if new again; restore

TOEFL Vocabulary in 30 Days

renovate: restore to good condition; renew

renunciation: sacrificing; giving up; state of having rejected your religious beliefs

reorient: set or arrange in a new or different determinate position; cause to turn

repertory: place, such as a storehouse, where a stock of things is kept; storage; entire range of skills or aptitudes

replace: substitute; put in the place of another; switch seemingly equivalent items

represent: stand for; describe or present; play a role or part

repute: ascribe a particular fact or characteristic to; consider; suppose

reputed: state of being held in high esteem and honor

reservoir: tank used for collecting and storing a liquid; holding pond; lake used to store water for community use

residual: remaining as a residue; surplus

residue: remainder of something after removal of parts or a part; balance

resist: stand up or offer resistance; refuse to comply; withstand the force of something

resistant: unaffected; incapable of being affected

resonance: reverberation; having the character of a loud deep sound; quality of being resonant

resort: vacation spot; act of turning to for assistance

respectively: separately; individually; in the order given

respond: show a reaction to something favorably or as hoped

retail: selling of goods to consumers

retract: withdraw; take back; draw back or in

retrospect: review; look back upon; remember

revere: worship; regard with feelings of respect or honor

reverent: respectful; worshipful; impressed with veneration or deep respect

reverently: with reverence; in a reverent manner; in respectful regard

revive: restore from a depressed; renew

rifle: shoulder firearm with a long barrel

rift: shallow area in a waterway; break in friendly relations; narrow fissure in rock

rigid: stiff and unyielding; strict; hard and unbending; not flexible

rigidity: stiffness; physical property of being stiff and resisting bending

rigor: strictness or severity, as in temperament, action, or judgment; something hard to endure

riot: state of disorder involving group violence; rebellion

TOEFL Vocabulary in 30 Days

Day 24

rip: tear or be torn violently; criticize or abuse strongly and violently

roam: wander; ramble; stroll

robust: vigorous; full of health and strength; vigorous

rod: stick; a long thin implement made of metal or wood

roost: settle down or stay; sit, as on a branch; perch on which domestic fowl rest or sleep

roost: rest or sleep on or as if on a perch; come back home

rotation: revolution; act of rotating as if on an axis

routine: unvarying or habitual method of procedure; occurring at fixed times or predictable intervals

rugged: uneven; rough; very difficult

shingle: small signboard outside the office; coarse beach gravel of small water; worn stones and pebbles
shipment: sending of cargo; act of sending off something
shock: unpleasant or disappointing surprise; surprise greatly; effect of such a collision or blow
shocked: struck with fear, dread, or consternation
shriveled: wither; decrease in size; become or make shrunken and wrinkled, often by drying
shy: timid; bashful; easily startled; distrustful
sickness: state that precedes vomiting; disease
sideways: with the side forward; to or from a side
siege: seat, especially a royal seat; throne; rank; grade; sitting before a fortified place; surrounding or investing of a place by army
silica: white or colorless vitreous insoluble solid
silicate: compounds containing silicon, oxygen, and one or more metals; salt of silica acid
sinuous: winding; bending in and out; not morally honest
skeptical: suspicious; mistrustful; marked by or given to doubt
skyscraper: very tall building with many stories
slender: having little width in proportion to height or length; long and thin
slide: slip; move usually in an uncontrolled manner; move smoothly along a surface
slippery: smooth; being such as to cause things to slip or slide
sloop: single-mast sailing boat
slumber: sleep; state of inactivity or dormancy
softwood: wood of a coniferous tree
solder: repair or unite by using fusible metal alloy, usually tin and lead
solemn: serious; somber; deeply earnest, serious, and sober
solicit: request earnestly; seek to obtain by persuasion or formal application
solidarity: union of interests, purposes, or sympathies among members of a group; accord
solitude: state of being alone; seclusion; lonely or secluded place
sophisticated: wide-ranging knowledge; complex; intellectually appealing

TOEFL Vocabulary in 30 Days

Day 26

sour: taste experience when vinegar or lemon juice; showing ill humor

souvenir: token of remembrance; memento; something of sentimental value

spaceship: spacecraft designed to carry a crew into interstellar space

spacious: wide; generous or large in area or extent; sizable

span: traverse the distance between; cover or extend over an area or time period

spangle: small metallic piece sewn to clothing for ornamentation

spark: bring about; arouse; inspire; activate

sparsely: thinly; in a scattered or sparse manner; scantily; widely apart, as regards population

TOEFL Vocabulary in 30 Days

specific: stated explicitly or in detail; definite
spinet: small and compactly built upright piano
spinning: rapidly rotating on an axis; whirling; circling
spiral: rotary; curled; moving in a zigzag course; moving in shape of a coil
spiral: rise or fall with steady acceleration; move along the path of a spiral or helix
sponge: soaking up; small absorbent contraceptive pad, used for bathing or cleaning
spontaneously: without advance preparation; naturally
springtime: season of growth; season of spring
spur: urge a horse; incite or stimulate; ride quickly by spurring a horse; proceed in haste
squarely: solidly; in a straight direct way; in a square shape
stagger: sway; walk as if unable to control one's movements
stain: soiled or discolored; symbol of disgrace or infamy; natural spot of a color different from the ground
stalk: stem or main axis of herbaceous plant; slender support or structure
standardized: uniform; brought into conformity with a standard
stanza: unit of poem, written or printed as a paragraph
staple: principal raw material or commodity produced in a region; principal element
starch: naturally abundant nutrient carbohydrate, found chiefly in the seeds, fruits
statue: sculpture representing a human or animal
steady: securely in position; not shaky; not easily excited
steak: slice of meat, typically beef, usually cut thick
steep: soak; make thoroughly wet
stem: stop flow of a liquid; make headway against
stern: hard, harsh, or severe in manner or character; firm or unyielding
stiffen: restrict; become stiff or stiffer
stipulate: specify or arrange in agreement; express demand in agreement; promise in agreement
